

# Vision, Comfort, Protection.

American Standard Window Film offers the technology of the future, for today's energy-conscious consumer.

## Nature™ 10

**na•ture** | nā'chər | an untouched realm for living things; the basics of life; purity

The Nature series provides a neutral, natural view. This sputtered film offers exceptional clarity and low reflectivity. The result is superior performance without any distortion, for the clearest, truest view.

### Benefits

- Neutral color blends in with the color of the glass
- Excellent heat reduction to increase comfort
- Excellent glare reduction to reduce eyestrain
- Provides energy savings through lower air conditioning costs
- Blocks 99% of ultraviolet rays to help reduce fading
- Durable, scratch resistant coating
- Manufacturer's warranty
