

Vision, Comfort, Protection.

American Standard Window Film offers the technology of the future, for today's energy-conscious consumer.

AURORA

American Standard Window Film

Made in USA

The most elegant architectural film on the market, ASWF's Aurora series is sure to make a lasting impression. With a proprietary, multi-stacked, sputtered technology, Aurora delivers unparalleled performance. Aurora, with its unmatched HD clarity and an unprecedented 91% Infrared (IR) rejection, elegantly provides a cool and comfortable environment, unlike any other window film.

Aurora 70
